

# FELINE KITTEN WELLNESS PLAN

(FOR CATS UP TO 1 YEAR OF AGE)

The general kitten wellness plan includes only the basic health care services needed for most cats within this age group. The wellness plans also allow for separate additional wellness care services to be included for the specific individual needs of each patient. These plans are offered at a discount over regular costs to encourage complete health care.

## THE GENERAL PLAN INCLUDES:\*

- 🐾 One complete physical exam by the veterinarian for the year
- 🐾 Two FVRCP vaccines and boosters needed for the year
- 🐾 Two FELV vaccines and boosters needed for the first year
- 🐾 One Rabies vaccine needed for the year
- 🐾 Two routine parasite de-worming treatments for the year
- 🐾 Two parasite fecal examinations for the year

## THE COST OF THE ABOVE PLAN IS \$250.00

(Regular price would be \$315.00) Save: \$65.00

*\*Payment is due in full for the general plan at the time of purchase and cannot be purchased after 7 days from the date services are initially rendered.*

*\*Reminders for further routine wellness care are sent regularly via the mail indicating a need to make an appointment for the next visit.*
